Dear Raffaella,

Herewith I just would like to inform you that we are very happy to have worked with Tecnoconference during EHA-7. The congress was a big success and this was for sure also thanks to the audiovisual assistance.

Jacobo was very helpfull and always there when you needed him.

As you maybe know is that next years meeting will be held in Lyon, France. We will definitely ask you to make a quotation.

Kind regards,

Mariska van der Veen-Oosterhoff
